Fire danger prompts suspension of All City of Alturas burn permits

City of Alturas Fire Department has **Suspended** all burning and burn permits in response to dry conditions and significant fire danger.

We will continue to monitor weather conditions in the coming months but we don't expect to lift the suspension until we see significant rainfall or snowfall in our area.

Restrictions go into effect on July 12, 2018. Prohibited activities are everything except using Barbecues, smokers, hibachis and other outdoor cooking and warming units.

Residents are urged to be mindful of the high fire danger and be extremely cautious when engaging in activities that could spark an accidental fire, especially on windy days.

“Please remember that all big fires start small. Do your part to protect our community and play it safe this fire season,”

If you have any questions please call the City of Alturas Fire Department at (530)233-4500.
Have a great summer.
